## **Department of Correction Holds Correctional Officer Graduation**

The Delaware Department of Correction (DOC) held a Friday, June 28, 2013 graduation ceremony for employees who recently completed Correctional Employee Initial Training (CEIT). Graduates took the oath of office and received their assignments before family, friends and DOC officials.

Graduates completed nine weeks of training, including hands-on and classroom sessions in a multitude of areas, including weapons familiarization, defensive tactics, emergency preparedness, report writing, substance abuse training, CPR/Basic First Aid and inter-personal communication. They will now join the ranks of more than 2,600 employees who uphold the Department's mission of protecting the public by supervising more than 7,000 adult offenders in facilities throughout the state.

An alphabetical list of graduating cadets, along with their hometown and assignments, can be found on the following page. Not all cadets opted to have their information released.
